Tel +1-267-237-2616

CAREER SUMMARY: Web design standards and compliance Specialist, educator and thought leader with 25 years' experience in usability, accessibility, information architecture, software QA, project management, community management, business ownership, search engine marketing and industry writing.

CURRENT POSITIONS

- 1996 – Present CREATIVE VISION WEB CONSULTING, LLC – Owner/President
Provides website audits and testing consulting services and training in holistic standards based, accessible and inclusive web design and website ADA accessibility testing. Clients include many vertical markets, global and national, small business to corporate. Founded Cre8asiteforums in 1998 until May 2018. Taught usability for 12 years. Columnist and writer for online and print publications covering search engine marketing. Conference speaker. Trained in software functional QA testing and human factors web design.
- 2019 – Present HOCHMAN CONSULTANTS , LLC – Sr. Consultant, Part Time Sub-Contractor
Project management, website accessibility testing, usability and conversions site audits and web design support for small and medium businesses. Monthly articles on accessibility and user experience web design.

PAST POSITIONS

- 2012 – 2014 INTERNET MARKETING NINJAS – Usability and User Experience Analyst
Developed web site usability testing services and procedures, accessibility testing, mobile testing and other web design services for clients ranging from small business to Fortune companies. Columnist and conference speaker. Author of two eBooks on website conversions copyrighted to the company.
- 2000 – 2002 VERTICALNET, INC - Quality Assurance User Interface Usability Engineer
Software QA functional and usability testing for ecommerce software development. User interface design for a stable of over 60 client websites in several verticals. Mentored in Human Factors by in-house PhD. Awarded company recognition for "Outstanding Effort" on the "Hermes" software testing project. Found errors by a third party vendor hired to redesign the company's re-branded website, which caused their dismissal and reassignment of the project to the in-house team, saving the company over \$150,000.
- 1998 – 2000 UNISYS – Web Designer
User interface design and testing for three company global intranets. Guidelines and procedures documentation.

1996 – 1998 BOUCHER COMMUNICATIONS – Web Administrator
Designed and maintained 13 websites. Converted print publications to website versions. Promoted and optimized websites for search engines and directories.

EDUCATION

1979 – 1981 BUCKS COUNTY COMMUNITY COLLEGE – Journalism Major
Broadcast journalism and film studies; internship for Bucks County Commissioners Public Relations Office for 1 year.
